Dear Pere Marquette Township Residents:

Inside this mailing you will find a subscription form to receive 96-gallon recycling containers which will not have any additional costs to you, the resident. These containers will, however, remain the property of Republic Services and are only loaned in service of the recycling program.

If you wish to continue to utilize the township’s recycling program, please take a moment to complete the form and return it as directed.

Residential contamination has reached record levels as countless non-recyclable items find their way into the recycling containers. To be the best recyclers possible, please see the inside of this brochure for more details about what can and can’t be recycled.

Your recycling will be collected once per month during the third full week of each month on Monday. Please place your recycling container at the curb the night prior or by 7 am to ensure collection.

If you have any questions, please feel free to reach out to Matt Biolette (the township’s contact person at Republic Services) by emailing mbiolette@republicservices.com.

Sincerely,
Paul Keson - Township Supervisor
As a resident of Pere Marquette Township, you are eligible to participate in this program if you subscribe to receive a 96-gallon container. To register to receive a 96-gallon recycling container, you must complete and return this form indicating that you desire a container which will be provided at no additional cost to you, the homeowner. All containers will remain the property of Republic Services and can be removed if the rules of the recycling program are not followed.
